The History Of Painting In
The term ‘history painting’ was introduced by the French Royal Academy in the seventeenth century. It was seen as the most important type (or ‘genre’), of painting above portraiture, the depiction of scenes from daily life (called genre painting), landscape and still life painting. (See the glossary page for genres to find out more). Although initially used to describe paintings with ...

19th-Century History Painting. The decline of history painting quickened during the 19th century. Artists strove more for dramatic art, rather than the high-minded or morally uplifting variety. In addition, as education became more widespread and the visual arts public increased in number, the acceptable range of subjects fit for inclusion in history painting also increased.

History Painting: Definition, Characteristics, Types
Painting, the expression of ideas and emotions, with the creation of certain aesthetic qualities, in a two-dimensional visual language. The elements of this language—its shapes, lines, colors, tones, and textures—are used in various ways to produce sensations of volume, space, movement, and light on a flat surface.

painting - Encyclopedia Britannica
The history of painting reaches back in time to artifacts from pre-historic humans, and spans all cultures. It represents a continuous, though periodically disrupted, tradition from Antiquity. Across cultures, and spanning continents and millennia, the history of painting is an ongoing river of creativity, that continues into the 21st century. Until the early 20th century it relied primarily ...
